

Radio Market Report Diary Surveys Included in 2009 Radio County Coverage

Radio County Coverage™ is based exclusively on Diary sample. Diaries returned from counties that converted to PPM measurement during the 2008 fieldwork year are included in the 2009 Radio County Coverage service. Listed below are Diary counties that transitioned to PPM in 2008, along with the Diary surveys included within the County Coverage service. These counties will not contain Diary data after they transition to PPM measurement.
